NOTICE TO NAVIGATION INTERESTS

ST LUCIE LOCK INTERRUPTIONS TO NAVIGATION

OKEECHOBEE WATERWAY, FLORIDA

1. This notice is to advise that on Tuesday February 22, 2005, between 0700 and 1600 hours mariners should anticipate interruptions and delays of up to four hours in locking through at St. Lucie Lock.
2. Divers will be performing underwater inspections. While divers are in the water lockages will not be made.
3. Additional information concerning possible delays can be obtained by contacting the Lock Operator at 772-287-2665 or monitor VHF Channel 13.

FOR THE COMMANDER:

ROBERT A. BUGG, P.E.
Chief, Construction-
Operations Division
